## Play systems

Castle Lodge	Size 3.6m(w) x 1.8m(d) x 3.0m(h). Lower floor consists of large open space with two chalk boards and a fold-away table and chairs. Internal rung ladder takes you to mezzanine deck with access onto the upper tower deck. Painted inside and out. Shuttered windows, dormer window to mezzanine deck, felt shingle roof (cedar shingles optional). Accessories include spiral tube slide, scramble net, rubber swing, rock wall and flag with pulleys to let you know when the kids are in residence.	£5,950.00
The Clock Tower	Size 2.9m(w) x 1.8m(d) x 4.0m(h). Charming dual purpose play system consisting of a climbing tower with two balconies, one for the hand-made scramble net and the other for the slide, a challenging rock wall allows entry to the upper deck with a fire pole for the quick escape, the tower also has a hip roof for shelter. Cross the connecting bridge through the stable door and enter the play house mezzanine deck, giving a birds eye view of the house below. On the ground floor the doors have a spy hole, the tower having barred windows with a seat and chalk board for those long days of captivity, whilst the playhouse with its felt shingle roof and five acrylic windows offers comparable luxury, kids can raise the flag, close the door and relax in their own retreat.	£4,950.00
Activity Centre	Size 2.4m(w) x 1.8m(d) x 4.0m(h). Tower with 4.8m swing beam to allow any configuration of four swing activities. Ramp to upper deck and slide down.	£4,450.00

## Custom Build

Jigsaw Playstructures offers a custom build service. If you have a particular project in mind, maybe a fantastic hand-built garden play building or a particular garden room, or if you have an awkward corner of the garden to fill please give us a call. Because much of what we do is made to order most of the designs in this brochure can be adapted, we can work with the geography of your garden to provide exciting and stimulating play structures e.g. slopes, trees etc. Prices include installation.
